RE: Building Permit for new New Orleans Residence

Dear Mr. Mayer,

Recently your company, Louisiana Expeditors, was able to acquire a building permit for my new residence in Lakeview. This was very helpful to me as I temporarily reside out of the country and must have the Building Permit to meet some other important deadlines.

Your commitment to my project is appreciated.

I would certainly recommend Louisiana Expeditors to anyone in need of help with a building permit.

Best Regards,

A handwritten signature in black ink, appearing to read "Joseph Barrios", with a long horizontal flourish extending to the right.
