RE: Building Permit and State Fire Marshal Permits for Retail Project

Dear Mr. Mayer,

Louisiana Expeditors successfully delivered the required permit acquisition for our retail build-out project in the Shops at Canal Place. I appreciate the efforts of you and your team in completing a swift, professional expediting service.

Please accept this letter of recognition of your company's ability.

I look forward to working you and the Louisiana Expeditors team again in the future.

Best Regards,

David E. Asfour, LEED AP BD+C
Project Manager
